... taking the time for a
number of things that
weren't important yesterday . . .

. . . though they may be
parted, there is still
a chance that they
may see . . .

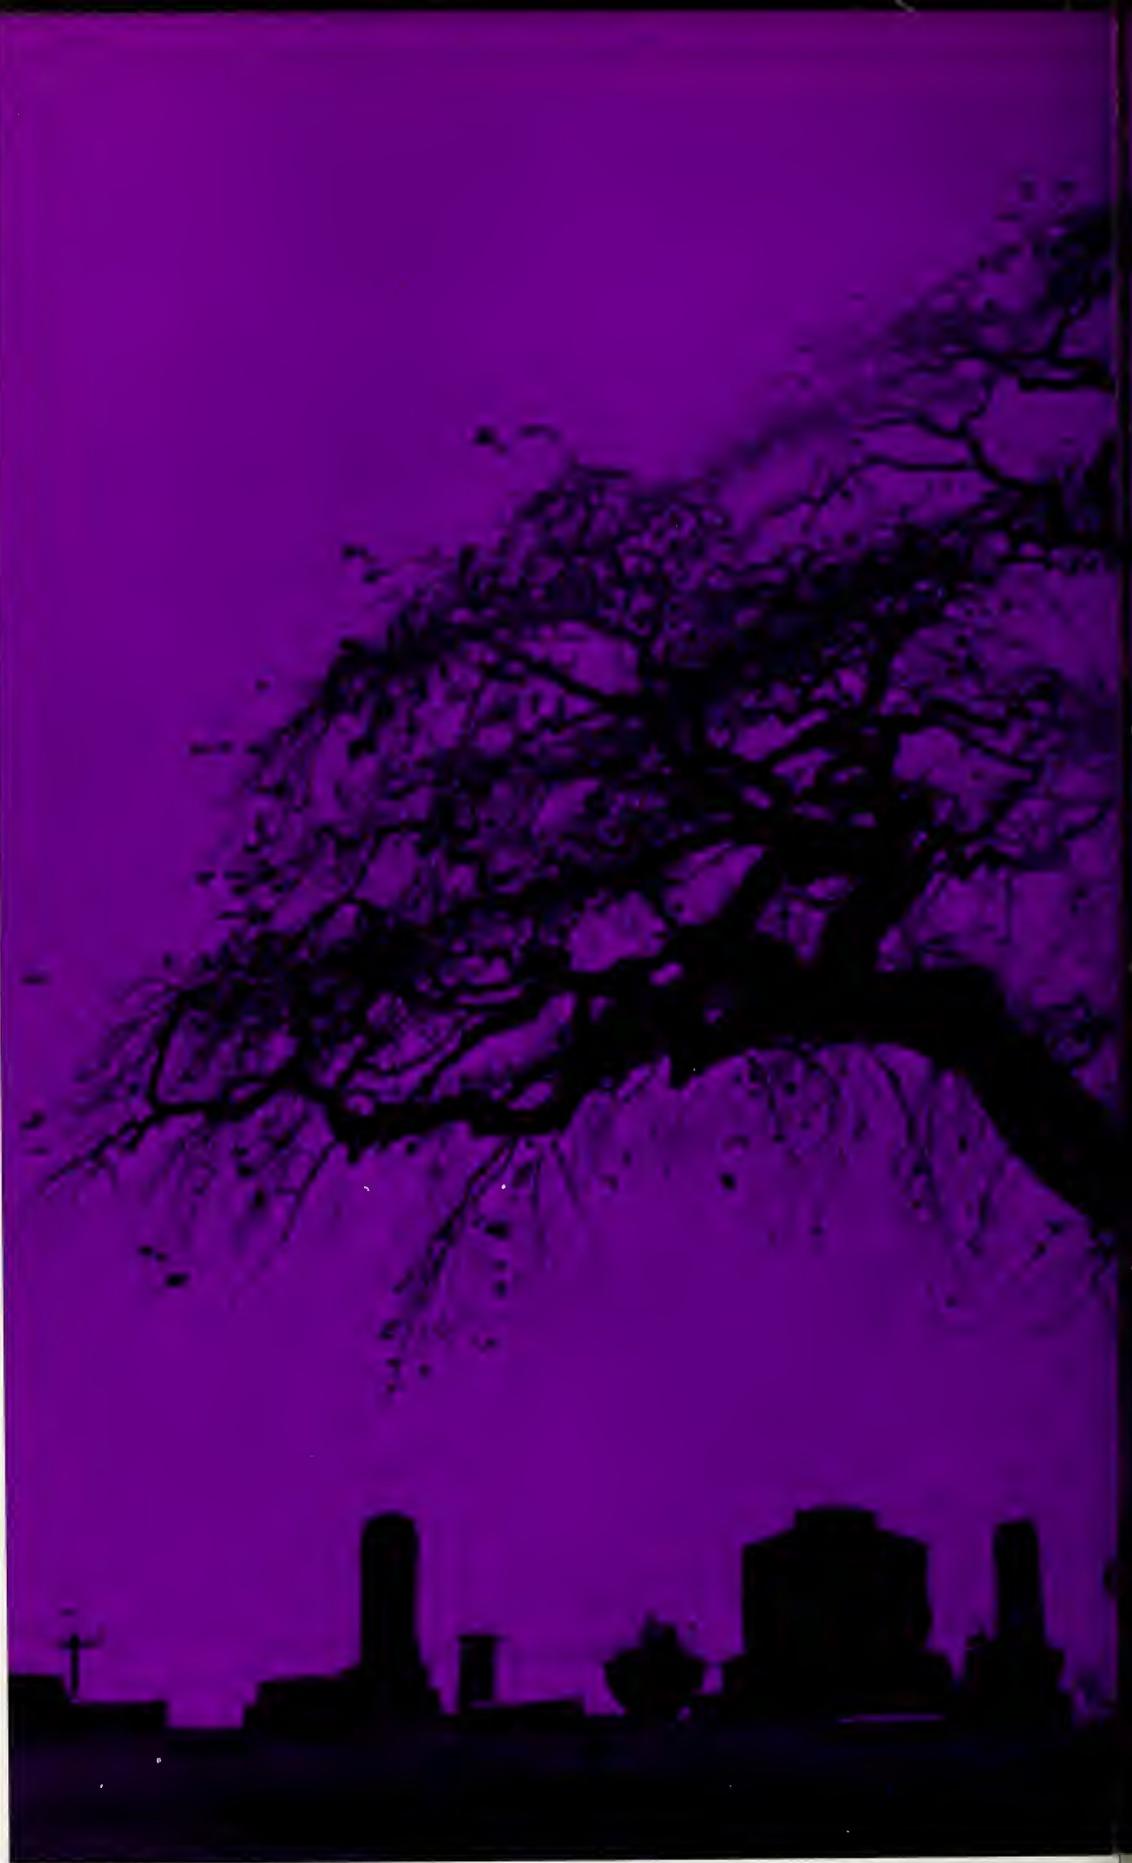

Doing the garden,
digging the weeds,
who could ask for more.

The scriptures
"Man's best friends are
rock music, frisbees, and
the various species of dope"

. . . singing songs
for everyone . . .

. . . elementary
penguin singing
Hare Krishna . . .

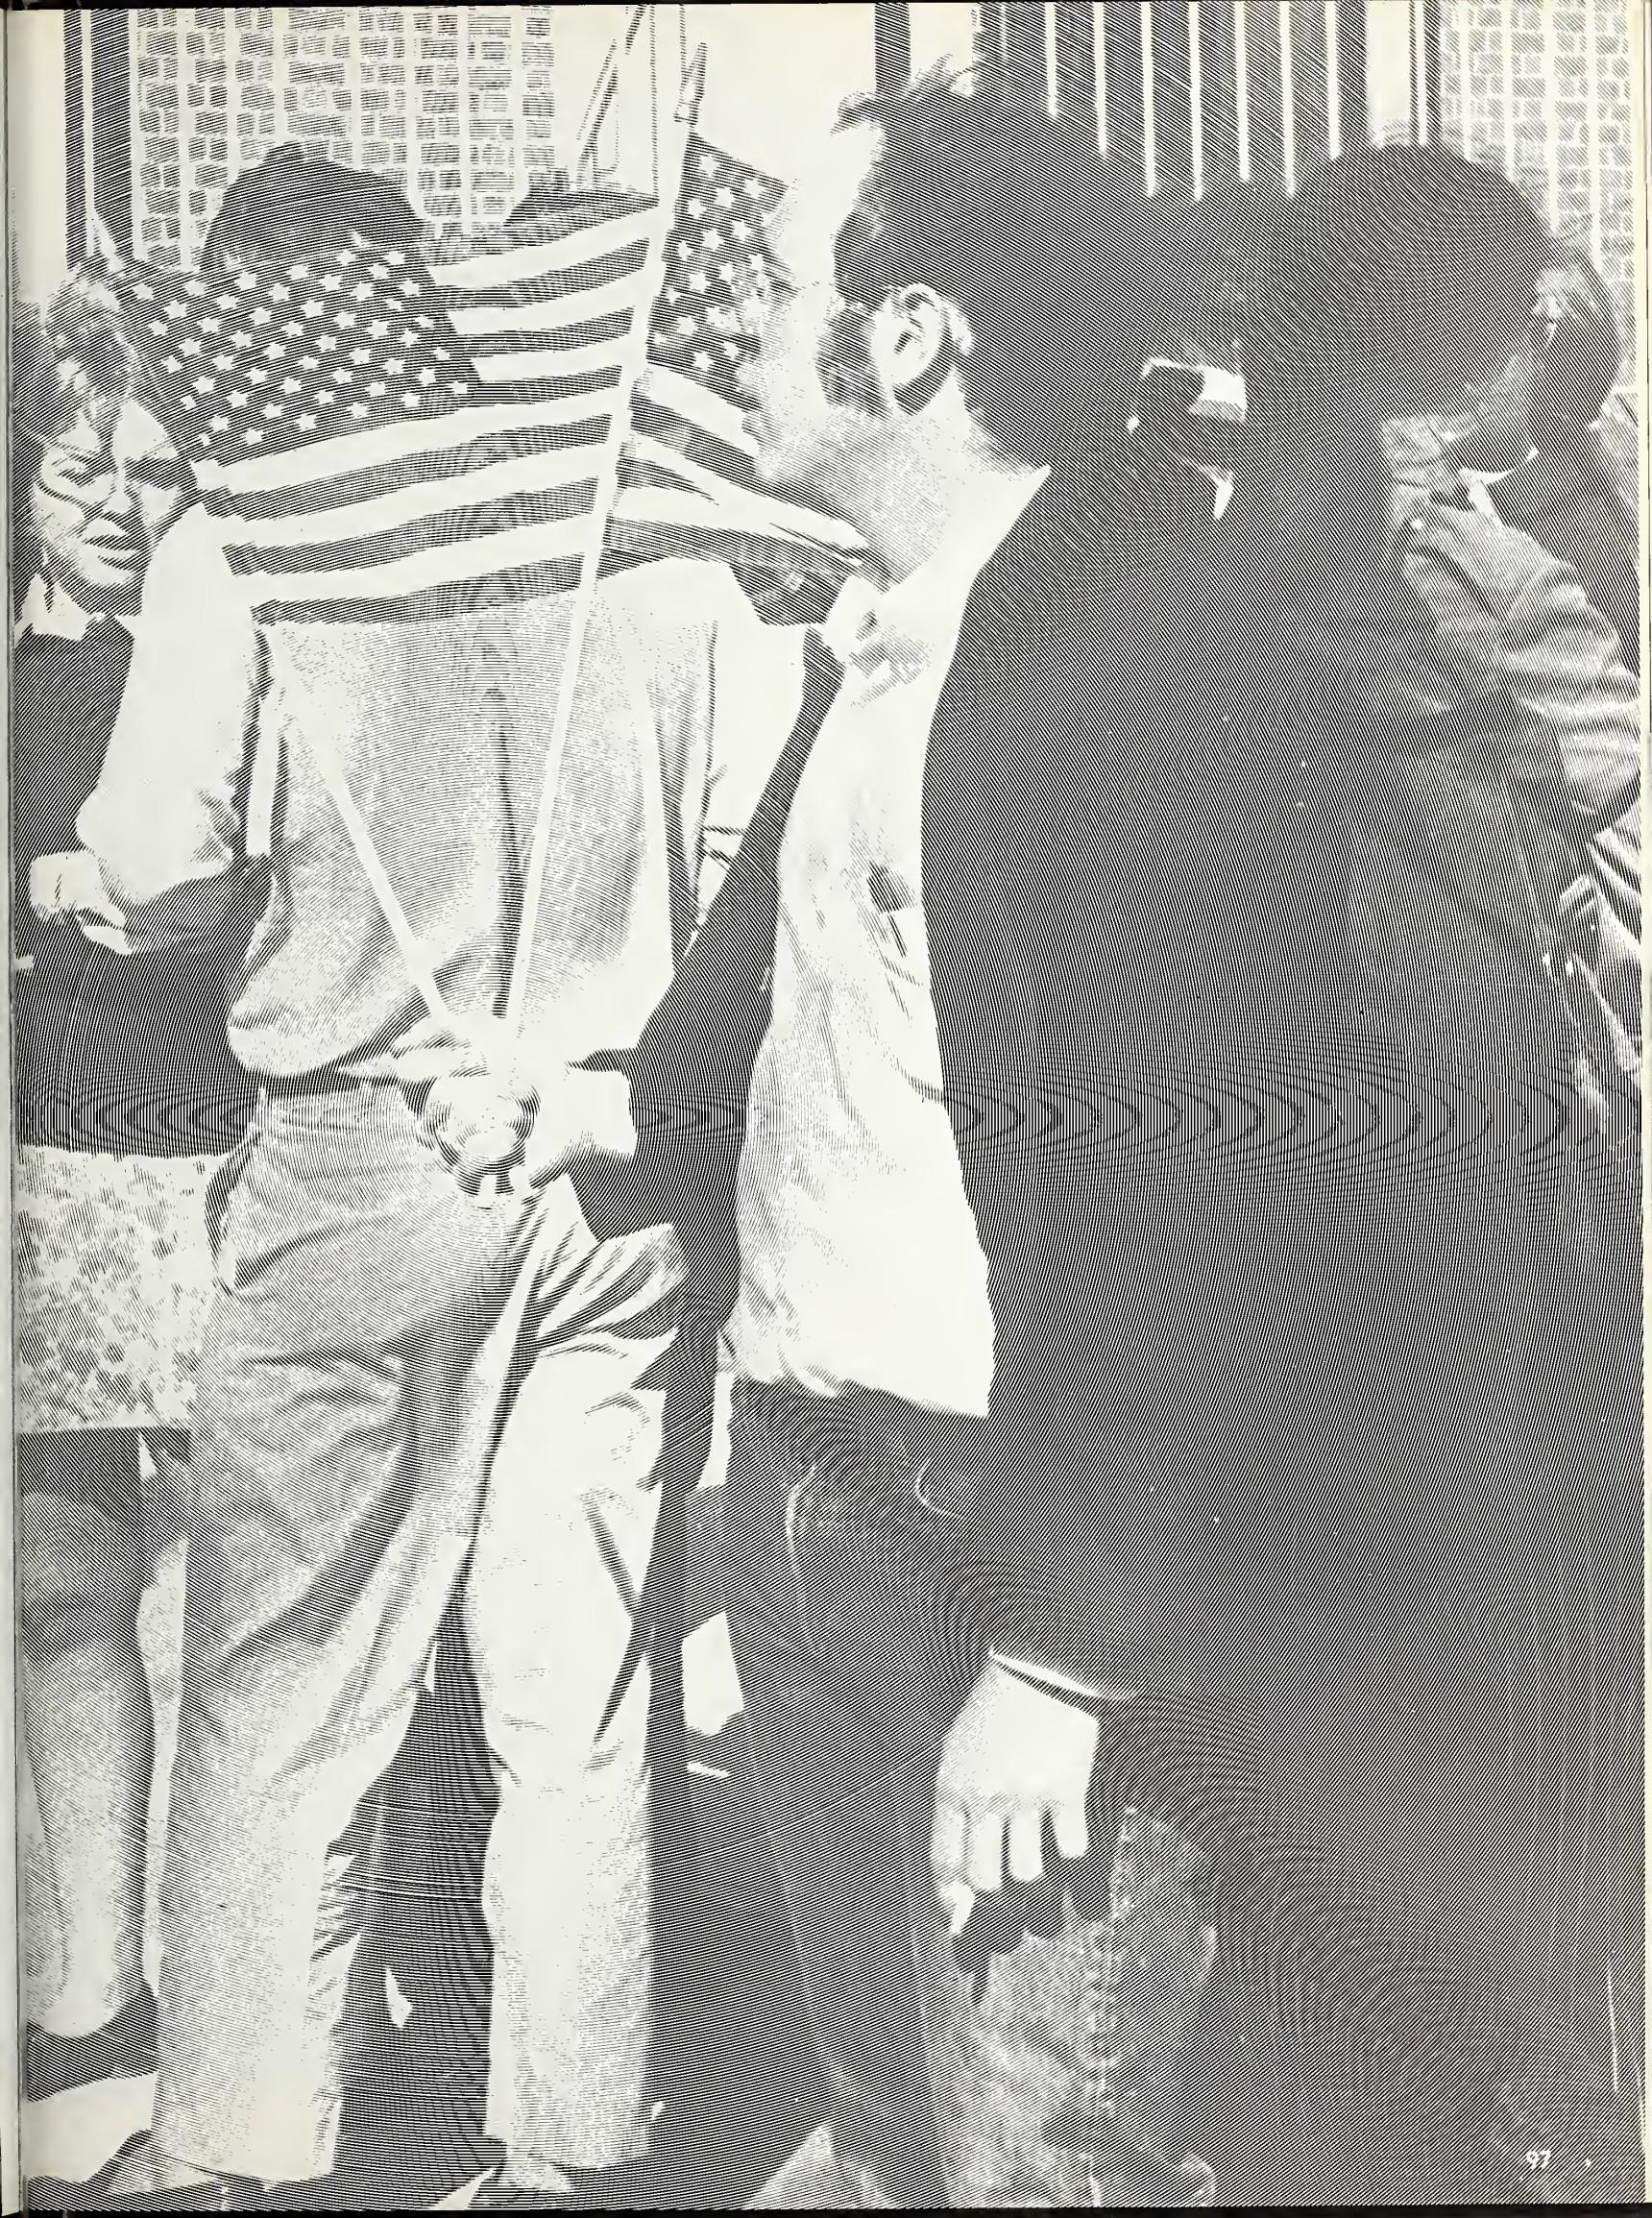

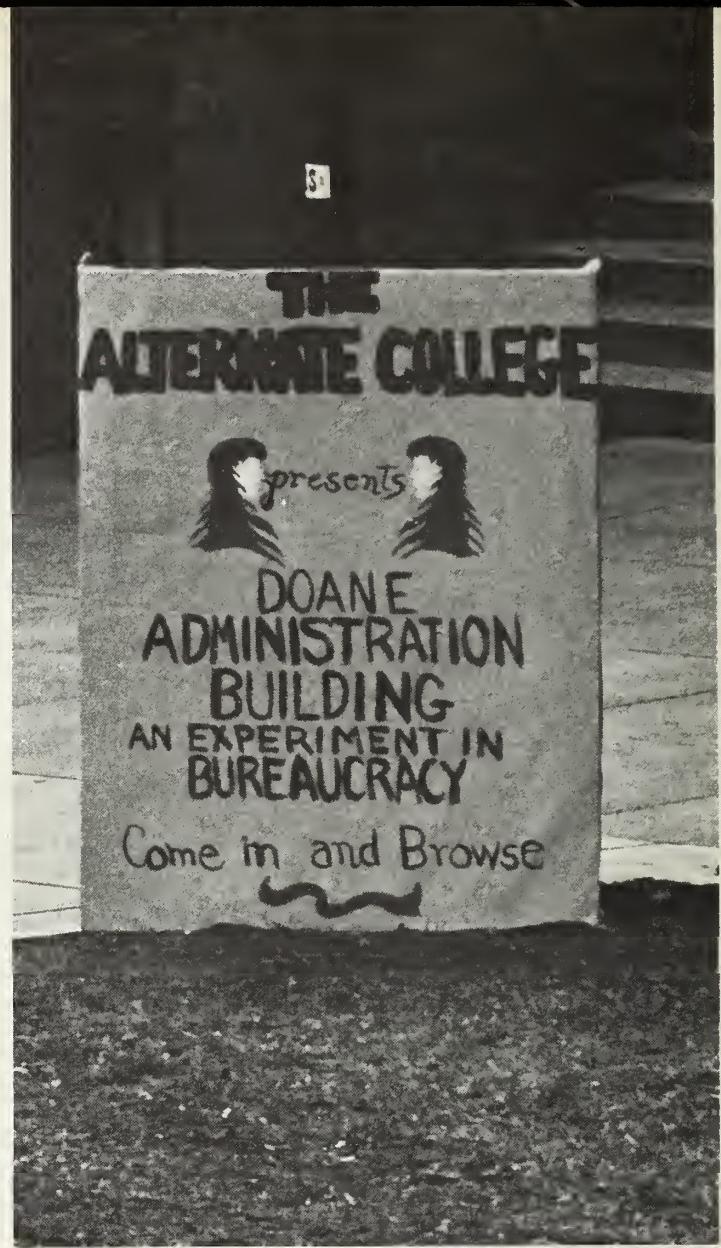

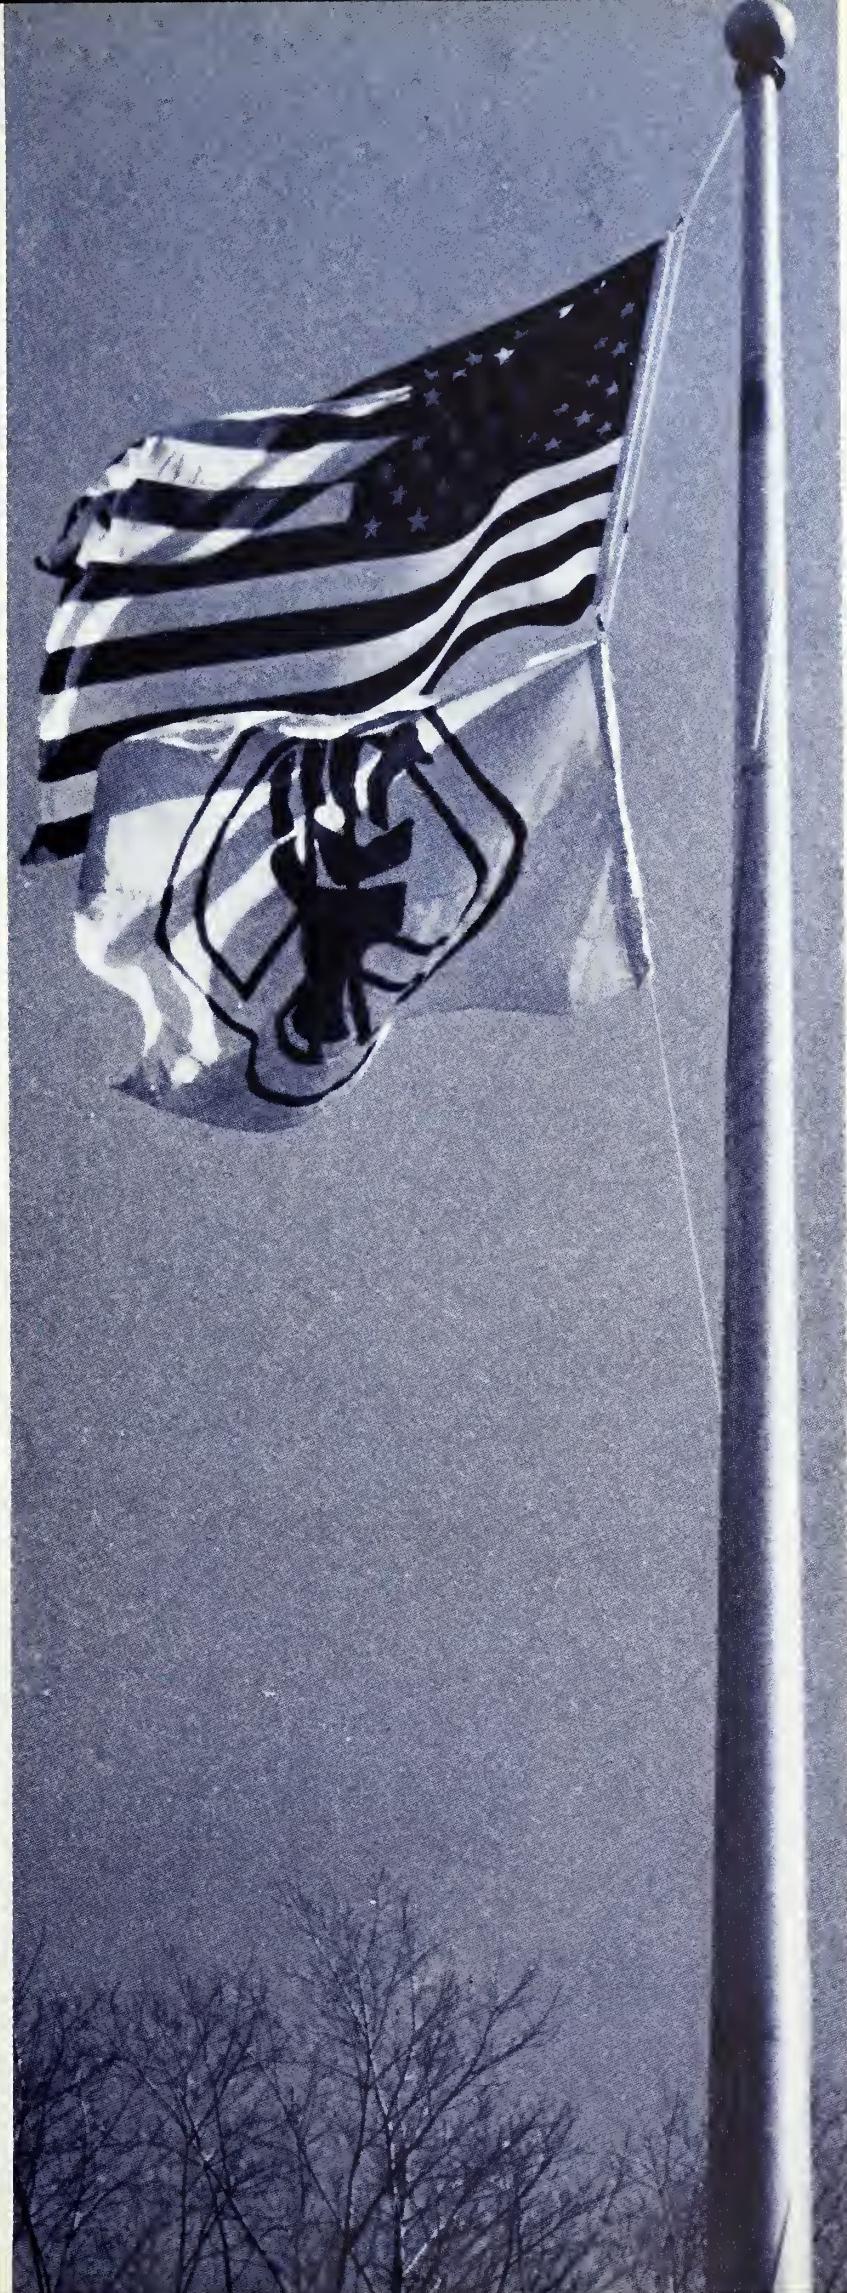

. . . half of what I say
is meaningless, but I
say it just to reach you . . .

. . . but I'm changing
my scene and I'm
doing the best that I can.

I've got to admit
it's getting better . . .

... tune to it
naturally . . .

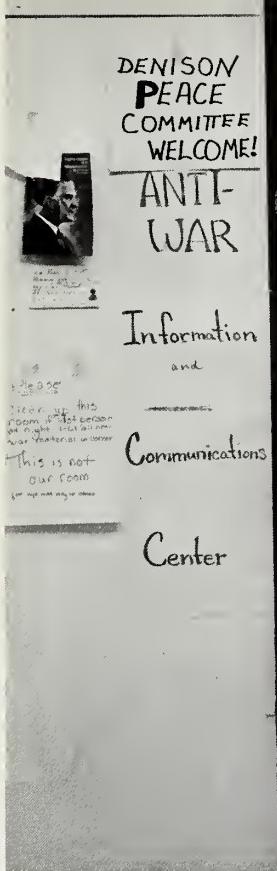

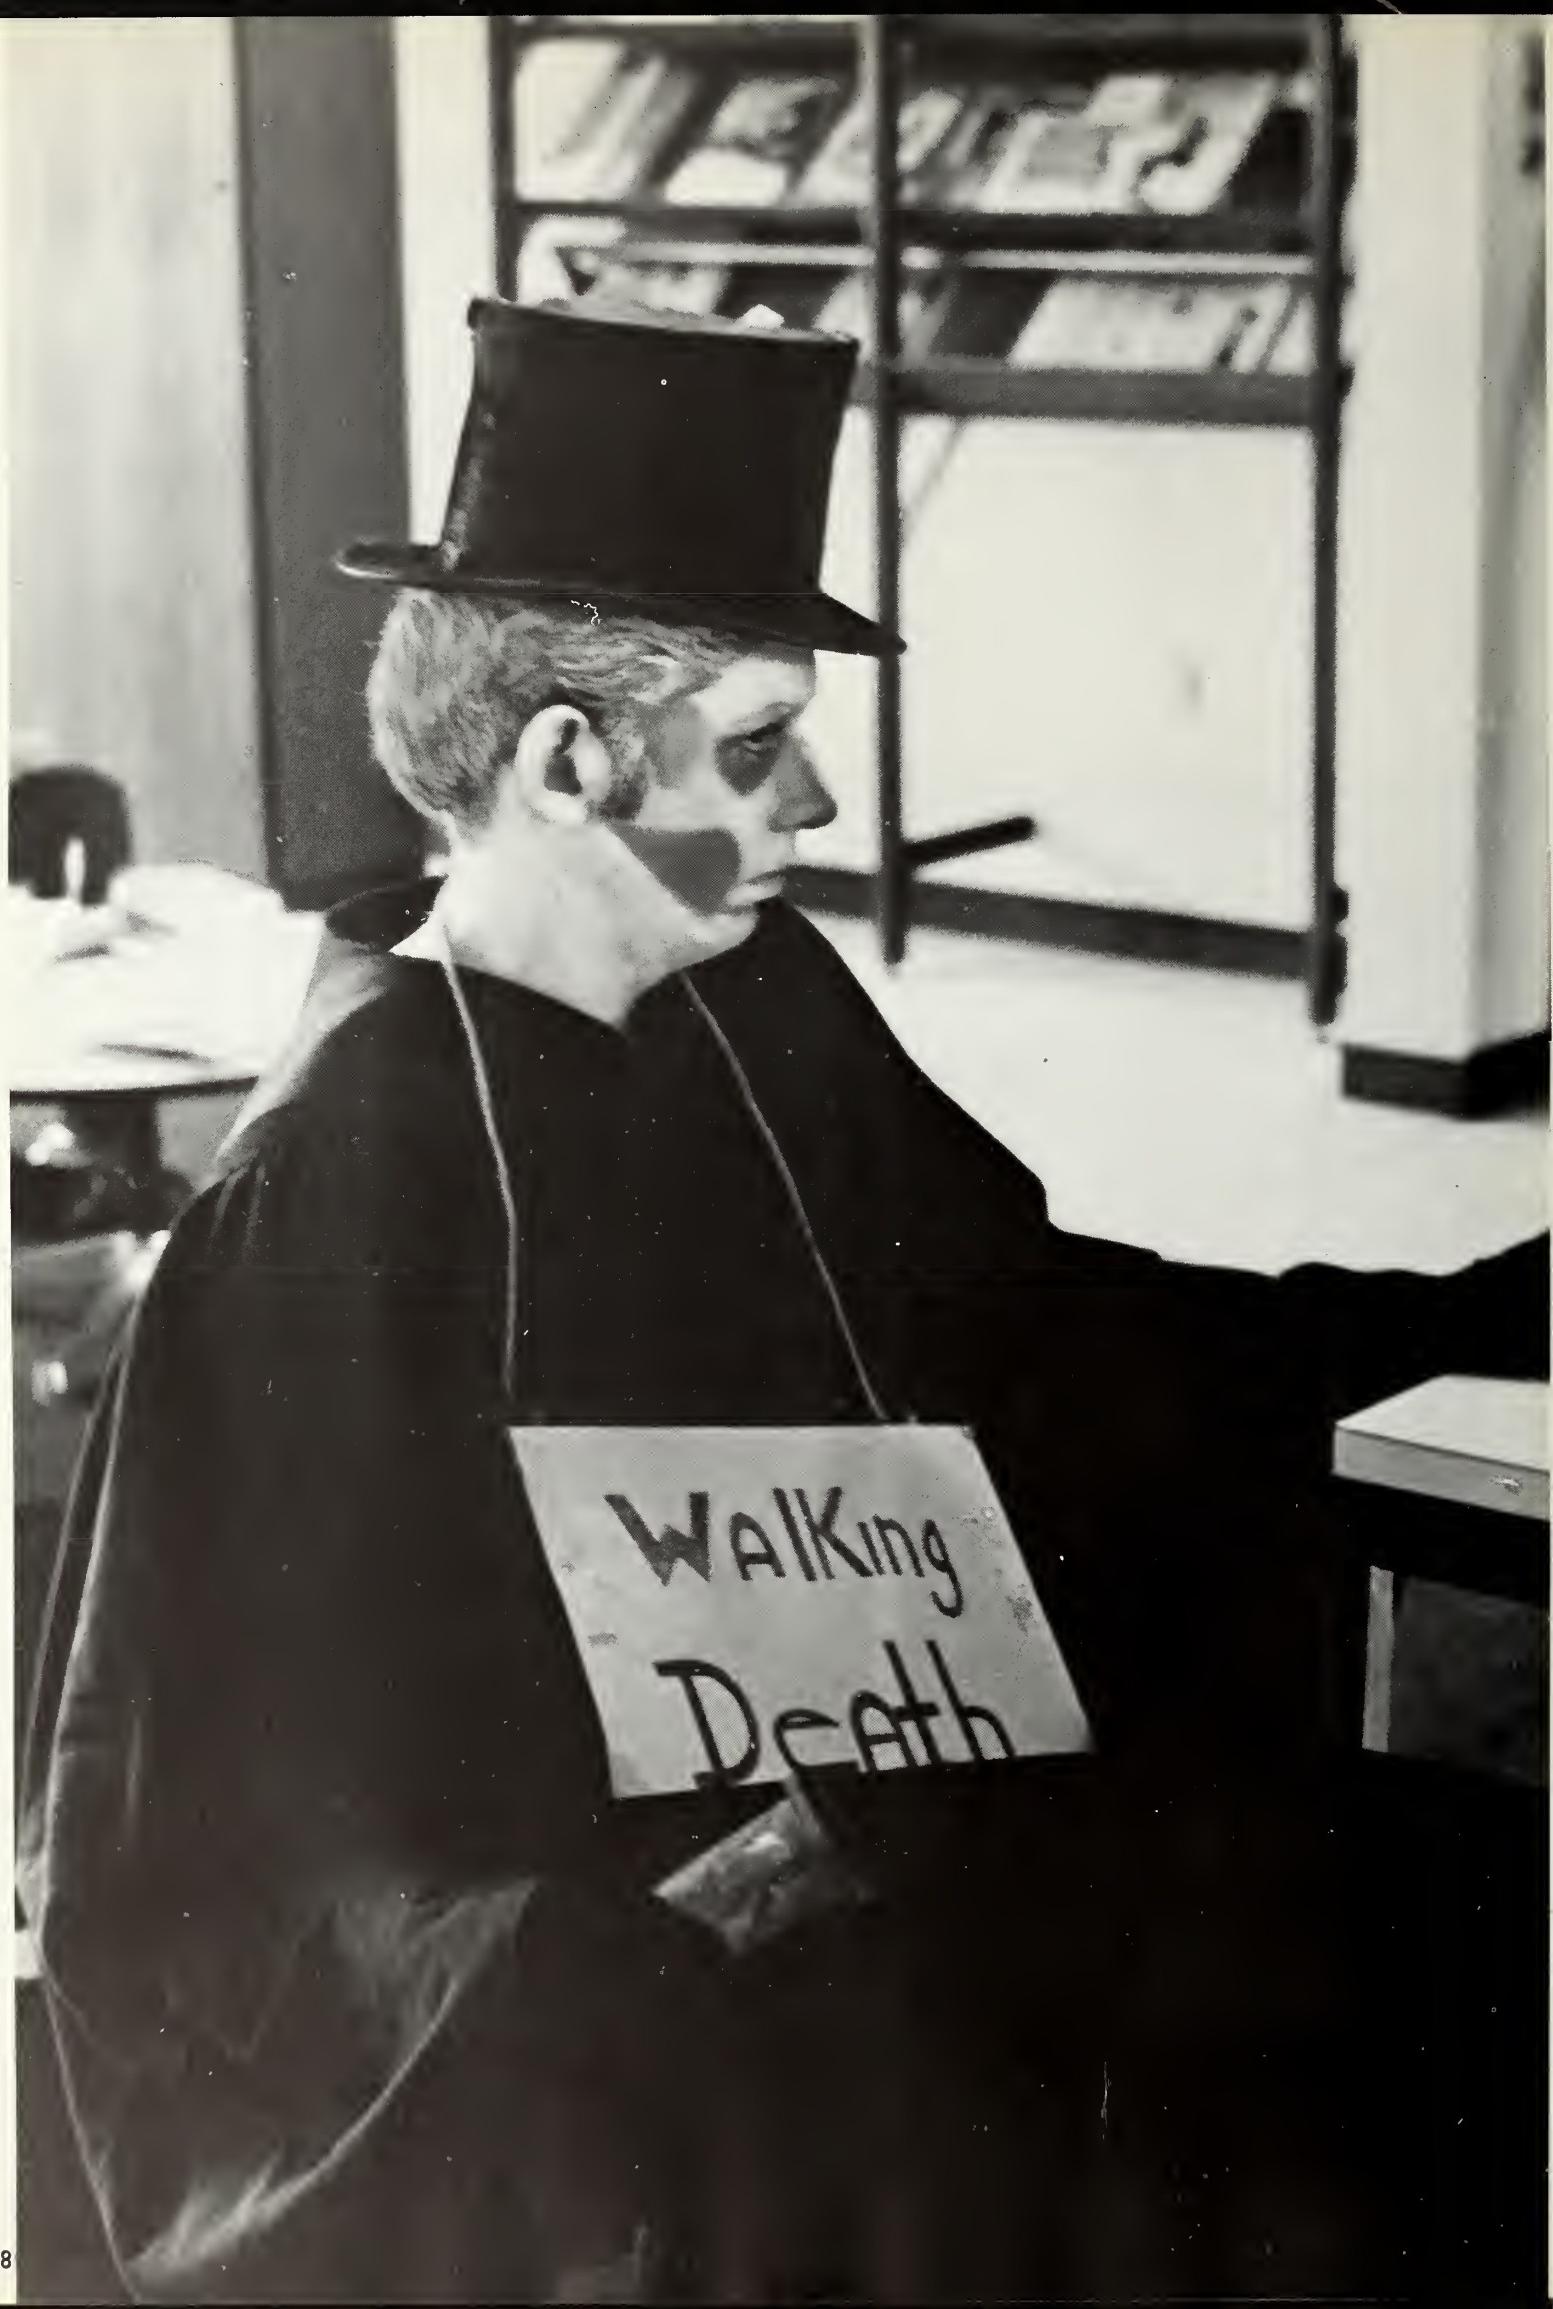

MEETING 1

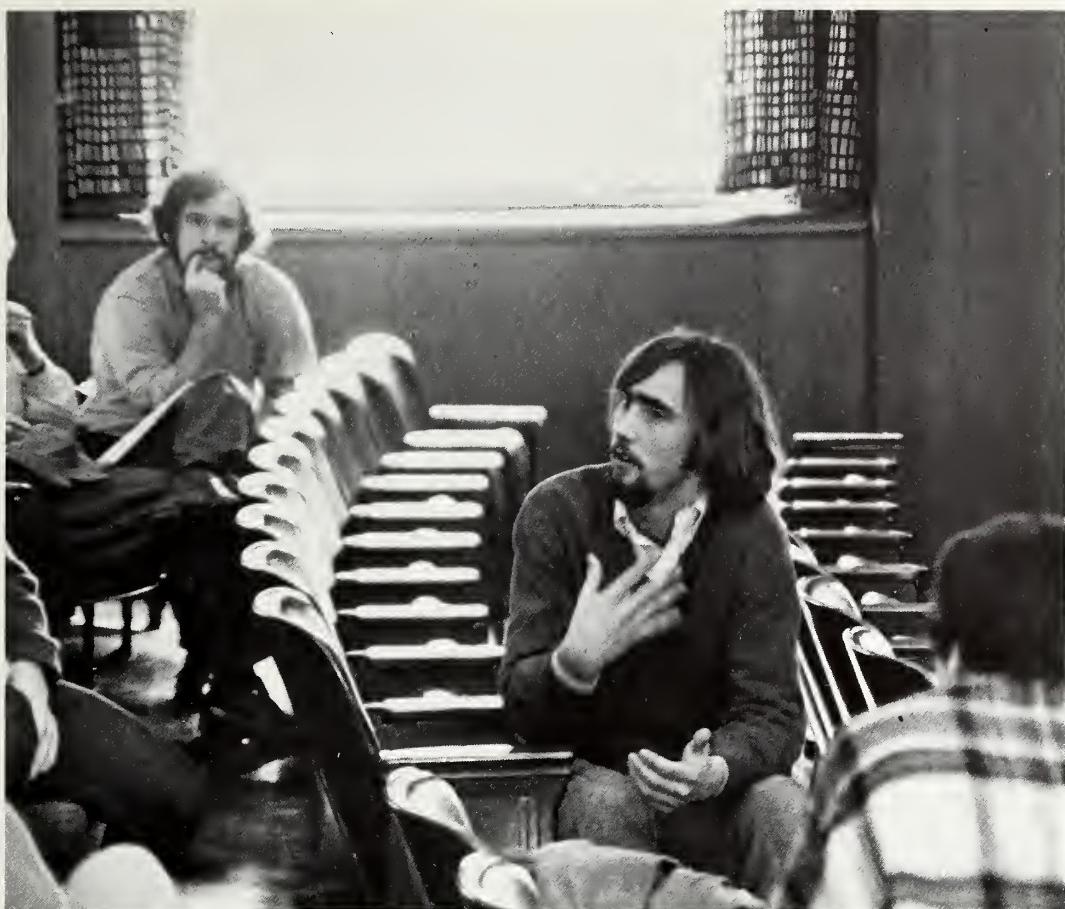

Your mother should know . . .

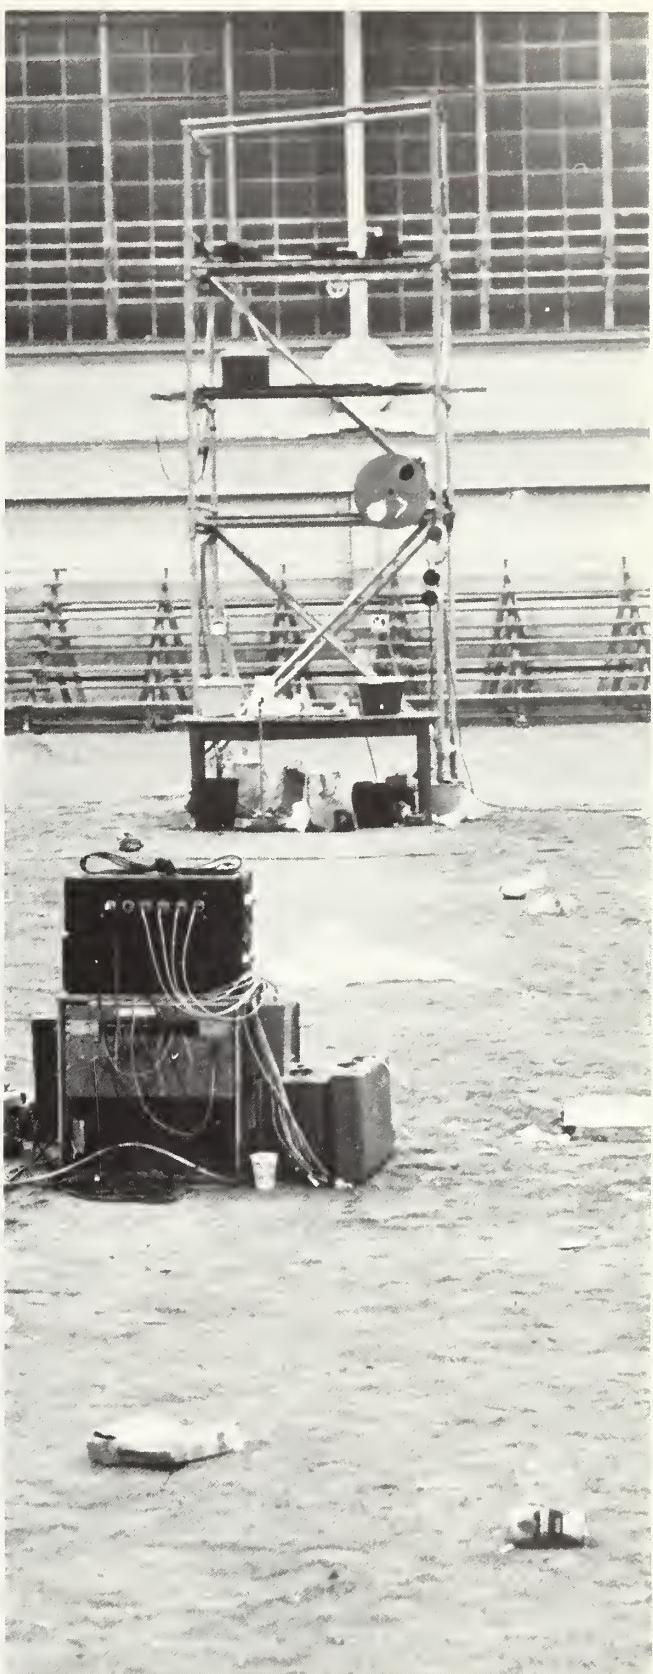

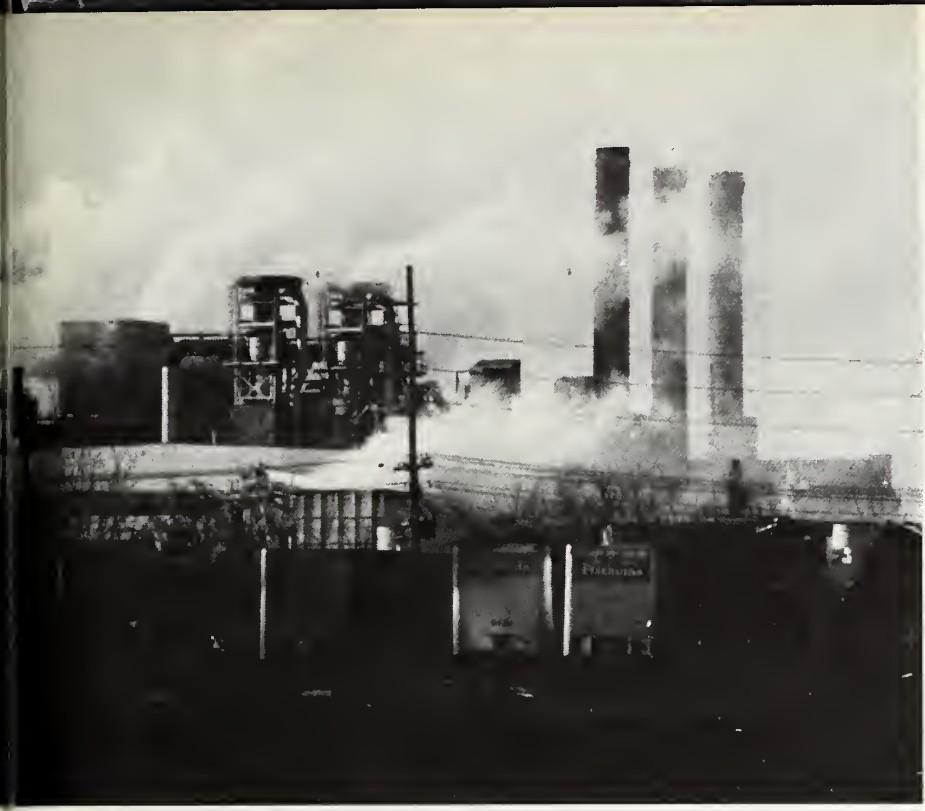

Say you got a real
solution, well you know,
we'd all love to see
the plan . . .

We were talking — about the space
between us all
And the people — who hide themselves
behind a wall of illusion
Never glimpse the truth — then it's far
too late — when they pass away.
We were talking — about the love we all
could share — when we find it
To try our best to hold it there — with
our love
With our love — we could save the world
— if they only knew.
Try to realize it's all within yourself
no-one else can make you change
And to see you're really only very small,
and life flows on within you and without
you.
We were talking — about the love that's
gone so cold and the people,
Who gain the world and lose their soul
they don't know — they can't see — are
you one of them?
When you've seen beyond yourself —
then you may find, peace of mind, is
waiting there —
And the time will come when you see
we're all one, and life flows on within
you and without you.

George Harrison
